Lutterworth council approves 6 percent pay increase

Lutterworth township council members voted themselves a six percent raise at the January 20 council meeting.

Bill Valentine defended the motion saying the raise is in line with the 6 and 5 percent increases the federal government is promoting. Councillor Allan Stott said "I think we're worth it."

Bill Prentice said the six percent was not enough to be bothered with. He said it would create more headaches than "what we're getting in our pockets."

Valentine pointed out a 12 percent raise next year is not possible. He also said council has not had a raise since

January 1981.

In an uncharacteristically tense moment the council called for a recorded vote. Deputy Reeve Glynne Lewis and councillor Bill Prentice voted against the motion. Councillors Allan Stott and Bill Valentine voted for the motion leaving the breaking vote to Reeve Ron Gambell who voted for the motion.

Under the new schedule approved by the council, the reeve will receive \$3816 per year compared to \$3600 previously. The deputy reeve will receive \$3498, up from \$3300 and the three councillors will each get \$3180 per year compared to \$3000 previously.

Carnival royalty past and present pose with Miss Canada following the crowning ceremonies Friday evening. From the left, junior princess Dianne Garbutt, junior queen Ginger Elliott, 1982 junior queen Christa Irwin, Miss Canada, 1982 senior queen Barb Adams, senior queen Sheila Wilson and senior princess Lisa Rankine. For more carnival photos see pages 12 and 13.

Township grants shooters two year lease

After many months of debate and deliberation, the Haliburton County Marksmen's Club will be allowed to remain where it is, if the organization agrees to the terms laid down in a new lease soon to be written by the municipal council. The decision to allow the facility to remain was taken at the January 27 meeting of Anson, Hindon and Minden council.

The future of the range had been in question since early last year when a number of residents in the area complained about the facility. Some objected to the noise emanating from the range,

others were concerned about safety while some just didn't want the facility close to their home.

The members of council heard from both sides in the debate two weeks ago weighing the objections against the arguments of the club's proponents. In a recorded vote Thursday, the council agreed to allow the range to stay for another two years. Councillor Gary Kenney was the only one who voted against the approval.

The club had originally obtained a ten year lease on the municipally owned gravel pit on Bobcaygeon Road in

1979. This latest resolution would see the club's tenure shortened to two years and it implies that new restrictions will be placed on the facility's operation to help meet some of the objections of neighbouring property owners.

Councillor Kenney stated that while he was a handgun enthusiast, he felt the range was impinging on the rights of the neighbouring property owners. He agreed with the objectors that hearing firearms being discharged near one's home was disturbing.

"The club representative

admitted to us that they could not guarantee the bullets would remain within the range facility," Kenney said. He also noted that the municipality asks some of its employees to work in the portion of the gravel pit adjacent to the range. "I don't know what the employees think of that," he said.

Kenney said he would prefer the municipality to agree to assist the club in finding another more suitable location for the range. "We should have the facility relocated to some area where there aren't any homes, an area where the shooters can be

comfortable." The councillor suggested the municipality could provide funding or material assistance in relocating the facility.

Kenney's arguments were not enough to sway the opinions of the other members of council, however. Councillor Larry Cummins said it was unlikely the club could find another suitable location where houses were not nearby. He said the range had been operating in its present location for a number of years without any complaints being received.

Deputy Reeve Ed Pergolas said the council, in making its

decision, had tried to be fair to everyone. He noted that the motion merely extended the club lease until 1984 and pointed out that the municipality will be responsible for setting the conditions of the lease.

One of the objectors to the present location, Bill Carrell,

attended the council meeting. After the vote was taken he told the council they hadn't responded to the complaints made by himself and other residents of the area. "I'm not looking forward to this summer," the resident commented.

Municipality selects logo

The municipality of Anson, Hindon and Minden has a new crest.

The design on the right was selected by the municipal council at a meeting held January 27.

The municipality has been searching for a design for a crest and logo for a number of years. During that time a number of submissions have been made, but no decision was made on adopting a particular design.

When the new council took office in December the promotion committee, consisting of councillors Larry Cummins and Gary Kenney, suggested the council invite designs from a number of selected artists in the municipality.

Five of the six contacted responded with a variety of designs incorporating the townships' natural resources, ties with Minden Germany and their own ideas. When the council met, the proposals were displayed on the council chamber wall for part of the day while the members of council considered their choices.

A weighted voting was used to determine which of the 15 designs they preferred. (Some artists submitted

more than one design.)

The winning entry was submitted by Sharon Barclay of Carnarvon. Her design shows the three townships in the 'L' shaped block. Intertwined through the townships are scenes representative of the economic, recreational and resources of the area. A sail boat is seen gliding across a lake, while a tall pine stretches through the scene, a pile of cut logs at its side. In the scene a blue heron lifts skyward.

The logo is set in a number of circles with the words "Anson, Hindon and Minden" around the outer ring. A sun, with rays fanning out through the central portion of the logo completes the design. The motto "as it was, so it is, may it be" also appears on the crest.

Designs were also submitted by area residents Gino Ziorjen, Marta Seythes, Don Nye and Wendy Ladurantaye. A selection of the other crests appears on page two of this newspaper.

The artists received \$30 each for preparing their submission. An additional \$250 was awarded for the winning design.

With respects to..... Jim Harrison

Friends, relatives and fellow politicians gathered at the Stanhope Fireman's Hall Saturday evening to put Jim Harrison on the hot seat.

The former reeve of the municipality was the guest of honour at the roast. The evening was held as a tribute to the Haliburton County native who has devoted 14 years of his life to public service.

The host for the evening, Stanhope clerk Gerald Bain, pointed out that Harrison had served as reeve of the township for the past four years and had been a member of the municipal council for ten years prior to that time. In 1979 he was named to the highest office in Haliburton, County Warden.

Most of the tributes to Jim Harrison took the form of ribald stories recounting adventures ice fishing, attending conferences and hockey tournaments. However, when all the joking was finished, the consensus was that Jim Harrison had contributed a great deal to Stanhope Township and Haliburton County during his terms in office. A standing ovation greeted Harrison when he finally rose to respond to the speakers.

Harrison expressed his appreciation to the municipality and those who helped in organizing the special evening. Harrison said, "A politician quickly learns that if he is going to make decisions, he will inevitably

make some enemies as well. However, with friends like the ones I've heard tonight, who needs enemies?"

Harrison was presented with a gas powered ice auger and a chrome plated fireman's hat. His wife Eleanor and two daughters Michele and Wanita also presented the former reeve with a set of children's carpentry tools. Eleanor explained, "We

didn't see too much of Jim when he was in office, there was a meeting almost every night. It was difficult at times and often jobs around the house would have to be left undone because there just wasn't time to do them. After all those years Jim has become a little rusty, so we thought it would be best if he started out slowly."

Others to speak during the evening included the present reeve of Stanhope, Harry Davis, Jim's employer at Carnarvon Lumber Merle Bailey, Minden by-law officer Dick Schell, Joe McCauley a

friend of Jim's from Marmora, Dysart Reeve Murray Fearrey, Dysart deputy reeve Gary McKnight, Stanhope resident Derek Rolphe, Fred Gardner a representative of the Halls and Hawk Lake Cottagers association, Stanhope deputy reeve Elgin Stouffer and Jim's wife Eleanor.

Those in attendance enjoyed a spaghetti supper and a dance which followed the speeches.

Among the gifts received by former Stanhope Reeve Jim Harrison was a box of children's carpentry tools. The presentation was made by his wife Eleanor and daughters Michele and Wanita. The tools were given as a reminder of the many tasks still to be completed by Harrison. The retired politician was honoured at a roast and dance Saturday evening at Stanhope Fireman's Hall.

Grant awarded

A community planning study grant of \$9,200 has been awarded to the Township of Cardiff, Claude Bennett, Minister of Municipal Affairs and Housing announced recently.

The grant will assist the municipality, recently defined

as a planning area, to prepare its first official plan.

Community planning study grants are designed to encourage municipalities to review and update their planning programs, zoning by laws and other planning documents.

They may also be used for special studies on local issues such as lakeshore development or commercial development along highways and for energy-conserving planning measures.

Correction

An article appearing in last week's edition of The Times incorrectly stated several positions of Maxine and Larry Kent, owners of property adjacent to the Haliburton County Marksmen's Club shooting range. The Kent were not approached for their opinion prior to the establishment of the facility. They did not give

their approval for the range at any time. The Kents also said at the meeting two weeks ago that they had been unable to obtain satisfaction for their complaints about the facility after bringing them to the attention of municipal authorities.

The article had indicated they had approached club officials with their concerns.

Logo designs

Below are a number of designs submitted by area artists for consideration by Anson, Hindon and Minden council for the municipality's crest.

Andrew McKelvey had the honour of presenting Miss Canada with a bouquet of flowers during the opening ceremonies at Minden Kinsmen Winter Carnival. The

youngster, a member of the Minden Figure Skating Club, received a kiss from Miss Canada, centre, and was obviously delighted once his task was completed.

Minden ride postponed

The Minden Rotary Club Snowarama for Timmy and the Easter Seals Society has been postponed for two weeks.

Local organizer Lionel Walker announced the postponement Monday evening after surveying the condition of the snowmobile trails. He pointed out that due to the lack of snow, many of the trails are in rough condition. As well, portions of the trails cross bogs and lakes. The mild weather has made these areas slushy and could cause problems for the participants.

The ride, which raises funds for crippled children in Ontario, has been rescheduled for Saturday February 19. "We know this delay will inconvenience a number of riders," Walker said, "but we feel that in the best interests of all concerned and the safety of the riders, the event be put over. I'm hoping that in the interim snow conditions will improve."

A dance, held in conjunction with the snowmobile run and also sponsored by the Minden Rotary Club, will still be held this Saturday night at the Minden Community Centre.

Haliburton ride

The Haliburton Rotary Club's Snowarama was held this past Saturday at the Haliburton Forest and Wildlife Preserve at Kenisis Lake. According to the organizer for the Haliburton club, Ray Selbie, the run went off well. "We had more riders this year," Selbie stated, "but the amount of money pledged was down somewhat."

The club received \$7630 in pledges from the 76 riders taking part. Last year the ride netted close to \$9000.

"Snow conditions were not 100%," Selbie commented, "but the riders seemed to understand that we just didn't have the material to work with. They seemed happy with the day."

Selbie predicted that with increased publicity and the growing interest shown by those taking part in the club's ride, the amount collected next year could surpass last year's record.

editorial

Finding that middle ground

The municipality of Anson, Hindon and Minden have agreed to allow the marksmen's club use of the township's property as a shooting range for another two years. Terms for the lease have yet to be established.

The agreement in principle was reached after many hours of debate and discussion. It was obviously not easy to weigh the concern of one group against the interests of another.

The council must now ensure, in setting the terms of the lease agreement, that the concerns of area residents will be taken into consideration. Chief among these is safety at the facility, but the noise factor must be considered as well.

While all parties to the dispute will likely not be satisfied with the final outcome, both sides must be willing to compromise. The task of finding that acceptable middle ground now rests with the council.

Congratulations

The weather co-operated, the crowds turned out in throngs, the entertainment was first class.

We refer to the effort put forth this past weekend by the Minden Kinsmen Club and their annual winter carnival. The program provided something of interest for everyone plus the sparkle of a great number of visiting celebrities. It was a great weekend.

The Minden Figure Skating Club also deserves praise for their outstanding ice show Sunday afternoon. Held in conjunction with the carnival this year, the event proved to be a real crowd-pleaser. While the guest skater Don Jackson, added greatly to the program, the hard work and dedication of the young skaters and the parents who encourage and support them, shone through.

Both groups deserve a vote of appreciation for providing residents and visitors with an entertaining and exciting weekend. Our hats are off to these organizations for a job well done.

Sharing the excitement of the win.

Student employment programs

- by Bill Scott, M.P. -

The Minister of Employment and Immigration recently announced that his department has approved in principle the federal government's student summer initiatives for 1983.

Designed to provide on-the-job training and work experience for students, funding for these student employment initiatives will be in addition to the funds available through the New Employment Expansion Development Program. (NEED).

Three programs have been approved. They are the Summer Canada Program, the Department of National Defence Cadet and Reserve Training Programs and the RCMP Special Supernumary Constables Program. The Canada Employment Centres for Students and Canada Manpower Centres can provide assistance for students interested in these or other placement opportunities.

Summer Canada pays sponsoring organizations a contribution toward student

wages, at provincial minimum wage rates and a contribution toward overhead costs. Internships with private sector organizations and non-profit organizations are offered. As well, the government itself will establish similar internships for summer employment of students. Individual departments will also sponsor employment development projects to give students

related experiences. In the area of community based projects, community organizations, associations, business organizations and, in some cases, local governments, will be eligible to sponsor projects providing benefits to the community and summer employment for students. There are, as well, special elements of the

coming up

Tuesday, February 8 - Minden Figure Skating club meeting at 8 p.m. in the Municipal office building. Everyone welcome.

Sunday, February 13 - Minden District Trappers Council Workshop at Minden Community Centre, commencing 10:30 a.m. Trappers and families welcome.

letters

Editor:

The MacTier PeeWee hockey team, coaches and parents thoroughly enjoyed ourselves during the Minden Pee Wee Tournament on January 15-16.

We extend our thanks to Mrs. Shirley Hie, the hard-working and ever-helpful tournament organizer. We are also deeply appreciative of the billeting parents whose warm hospitality towards our boys will always be remembered. The local restaurateurs and townspeople were especially cheerful and helpful.

Tournament champions, we are not. Happy and grateful, we are!

Doug Nason,
Manager,
MacTier PeeWees.

Editor:

Your story line on the Andrew Shapiera case was fairly accurate. Indeed, the situation has proven to be quite ironic.

However, while the story in general was correct, there are some small points which should be clarified.

Neither a waiver nor a full release is generally assumed to be "a formality." Each one is thoroughly and sometimes heatedly, discussed and voted on.

Faced with a low player registration and the ensuing cessation of two minor hockey teams in Minden (Midgets and Tykes), the 1982-83 executive of the Minden Minor Hockey Association decided to retain Minden players in their home system. This was done to ensure the continuance of minor hockey in Minden; some may even say the survival of the Minden Minor Hockey Association.

The executive, a democratically elected group of volunteers, is entrusted to both provide and govern minor hockey in Minden. They have done their job. Using the clearly defined rules of the Ontario Minor Hockey Association and with the support of the OMHA's area convenor, they rendered their decision.

A written appeal of the MMHA decision initiated by the Shapiera family was subsequently denied by the OMHA appeal board. The written decision, copies of which were received by both the Shapiers and the MMHA, indicated the OMHA's continuing support of the MMHA's ability to interpret the rules properly and to hand down local judgements correctly.

As reported in your paper, a second appeal was launched and heard before an Ontario Hockey Association appeal tribunal.

But something is amiss here.

The president of the MMHA was not informed of

SECOND CLASS MAIL REGISTRATION NO. 0936

A blend of music and fun for Toronto students

Graham Wishart, director of music at Oakwood Collegiate in Toronto, assists a violinist.

The crisp snow crunches underfoot. Chickadees twitter in the hardwood bush as a blue jay twists his way through the trees squawking noisily.

Then, faintly at first, the sound of a quartet of French horns drifts through the forest. Moving down the hill, the sound of other musical instruments begins to fill the air. From one cabin comes the steady beat of a percussion group gathered around a tympany, from another, four tubas tromp through the notes of the hit song 'Aquarius' while a trombone ensemble practice the intricacies and nuances of a classical arrangement.

The setting is Camp Kandalore on the shores of Peach Lake north of Minden. The source of these diverse musical experiences is students from Oakwood Collegiate Institute in Toronto, back in the Haliburton Highlands for their annual winter workshop.

Graham Wishart, head of the musical program at the high school, is the co-ordinator for the weekend. "This is the seventh year we have brought the students to Kandalore," he explains as we chat over a cup of hot coffee. "It is a healthy learning experience that is simply impossible to duplicate in the school."

The winter visit to Camp Kandalore has become one of the highlights of the school's musical program. For an extended weekend, beginning on Friday and ending Monday, 70 to 75 students move into the camp with their musical instruments and 19 instructors for a concentrated session of musical instruction and outdoor winter fun.

"The idea has been an unqualified success," Graham states. "We can accomplish more here in four days than we can in six weeks of instruction back in the city."

Individual instruction

One of the major benefits of the program is the increased attention each student can receive. Working in smaller groups, or on a one to one basis where desired, the students participate in intensive four hour periods of instruction. The teachers, all volunteers, come from a number of sources. Music teachers from Oakwood Collegiate are on hand, but the program also attracts university instructors and advanced music students as well as senior students from the high school who work with the juniors.

"This is another important aspect of the program," Graham comments. "Not only do the students receive closer attention, they are exposed to a different group of instructors, individuals who have made a career of music. They provide positive role models for the students."

The students have musical instruction or rehearsals during the morning, afternoon and

evening, but the group also takes advantage of the numerous recreational activities offered at the camp. "After four hours of intensive concentration, they need a break, and for that matter, so do the instructors," Graham said as we walked down to the dock area. Students were strapping on cross-country skis, or heading uphill with "crazy carpets" to release some of that pent-up energy. Others were on the ice of Peach Lake playing a game of hockey or trying their hand at outdoor curling.

"When the conditions are right, we offer the full range of activities," he said. "This year we are lacking the snow for snowshoeing and winter camping experiences, but generally there are enough activities to keep the students active and interested throughout the weekend."

Graham notes that for many of the students, this is their first experience with winter outside of the city. "Our school draws its students from a mixed background, both ethnically and socially. Some of the youths, and their parents, are reluctant to take part, but once they are here, most students love it."

Sharing the living quarters, musical lessons and recreational activities also helps to bring the students closer together. "They learn to interact, to discover each other as individuals as musicians."

Musical high school

Oakwood Collegiate is well known in the Toronto area for its musical program. "I would say we have one of the highest quality musical programs in the Metro area," Graham says. Of a student population of 1280 at Oakwood, approximately 350 are involved in the musical program.

The calibre of the students is reflected in the fact that 20% of the Toronto Symphony Youth Orchestra is made up of Oakwood students. As well, two representatives of the school were chosen to take part in the National Youth Orchestra program this past year.

The school has been represented by its own symphony orchestra at performances in England and Italy.

While the musical tastes of the students range over the full spectrum, more find their greatest satisfaction and challenge in classical music.

The school holds three winter weekends at Camp Kandalore. Students studying strings attend one weekend, the winds the following weekend and finally the students studying vocal music.

The program, for the first time this year, is receiving some financial support from the Toronto Board of Education. Previously, the students were responsible for the costs, although Graham admits that no student would have been denied an opportunity to attend the workshop simply because of lack of funds.

Graham notes that tough economic times could place the workshop idea in jeopardy. He is also concerned about Ministry of Education plans to eliminate Grade 13, reducing the number of years a

Eric Shultz leads a group of students through their paces during a morning practice session.

student spends in high school from five to four. "The compression of the school program to four years could hurt our program. When they put the squeeze on, something will have to squirt out," he commented.

Those concerns appeared to be of little consequence to the students this past weekend, however, as they eagerly blended their study of music with an opportunity to enjoy the many outdoor winter activities offered at Camp Kandalore.

Students enjoy a break in their musical studies with a game of outdoor curling on Peach Lake.

from the chamber

by Bob Stinson

This winter has not, to date, been one that those of us dependent on tourism can be too happy about. It would be nice to pretend it never happened but the banks and bill collectors won't let us do that. The one bright light was the Minden Winter Carnival which was certainly one of the best events the Kinsmen have ever presented. Hopefully, on that positive note, we can now look forward to a February that will make up for some of the losses of December and January.

Lodges report good advance bookings for the coming month and if the weather man would just begin to co-operate a bit, things will certainly improve. There are lots of events planned to attract winter visitors and here are a few we know about.

The Minden Rotary Club's Snowarama for Timmy which was to have taken place this weekend, has been postponed for two weeks. Organizer Lionel Walker checked out the trails Monday and reported that they were too rough and so has decided to reschedule the event for February 19. The dance, which was to be held in conjunction with the Snowarama will go ahead as scheduled this Saturday evening at the Minden Community Centre, beginning at 9 p.m. Hopefully all those who intended to take part in this most worthwhile fund raising event, will be able to attend in two weeks time.

Next weekend the Highland Mixed Bonspiel is running at Haliburton with 24 rinks competing for trophies.

On February 12 Gooderham run their 'Stump Jumpers' Snowmobile Rally

followed by a gala dinner at their beautiful new community centre. Go for the day or just the evening - either way you will have a ball. For more information contact Sandy Barr, 447-2039.

Haliburton Village Carnival swings into action on February 18, 19 and 20 and it features a parade, dances, snowmobile races, a sanctioned cross-country ski tour and of course, a carnival queen. For more information on the carnival contact Paul Wilson at 457-2811 and for more information on the ski tour contact Deer Lodge at 457-2281.

Haliburton Highlands Guild of Fine Arts will be conducting their 'Members Best' Sale from February 2 to February 12 at the Rails' End Gallery. Following this they will be setting up for the annual winter carnival exhibition and sale which will be at the Gallery from February 12 until February 27.

Sportsmen Show in March

When we look beyond this busy February and March we are reminded that we must get organized for our annual display at the Sportsman Show from March 18 to 27. This year we will be showing off some of the fine work that has been done on the looms by weavers at both the Guild of Fine Arts and the Minden Cultural Centre. A section will also be devoted to promoting some of our excellent boys and girls camps in the county and at all times one of their numbers will be on hand to provide information and advice to parents. Haliburton Hockey Haven, this year, will occupy a booth directly across the aisle from us which should

add to this feature.

As usual, our members are being invited to share the cost of this exhibit and in return display their brochures and promote their business. Details have been sent out in a newsletter previously, but we would remind all members to advise us shortly if they are planning to participate. Call our office if you require more information. 286-1760.

FBDB-More than just money

If your business needs money, then indeed the Federal Business Development Bank may be able to help you. Quite often, however, they find that some good advice is just as valuable and may even avoid the necessity of borrowing if it is provided in time.

On February 15, FBDB, in co-operation with the Chamber is running a workshop which is very appropriate for the moment entitled "Managing in Turbulent Times". These certainly are turbulent times and knowing how to cope with them can make a vast difference in just how viable our businesses are when the turbulence settles. Those attending will work their way through a case study of a small business that is short of working capital, has personnel problems, appears to have inadequate marketing budget compared to the competition, their banker is worrying them and now have been handed a statement from the auditor that says they are losing money. Can you identify with any of these problems? Whether you do or not right now, good planning may avoid some of the pitfalls this hypothetical business found itself in and this workshop will assist you with that.

Registration is only \$20 for the afternoon and you may do so by contacting Carole Forsyth at the Peterborough office of FBDB - 748-3241. They invite you to call collect.

More trust questions

- by John Eakins, M.P.P. -

For yet another week, the trust company controversy continues to dominate proceedings in the legislature. Events and disclosures are coming so thick and fast that it is virtually impossible to keep an up to date record. By the time you read this column, even more will be known, even more debates will have taken place, of course.

David Peterson has charged that up to \$200 million has not been accounted for in the controversial sale of the 10,931 Metro apartments. These "elusive assets" were, he said, made up of two major factors: a downpayment of more than \$100 million supposedly paid by a group of Ontario numbered companies to Kilderkin Investments, as part of the \$500 million sale, and a total of \$72.5 million paid out by government-seized Crown, Seaway and Greymac Trusts to Greymac Credit Corporation as a portion of \$125 million in financing for the apartment deal. Referring to a statement in the Legislature by the Minister of Consumer and Commercial Relations that ministry investigators had been unable to account for some \$100 million in downpayment, Peterson said

"If one is looking for elusive assets, at the present time the total on that is closer to \$175-200 million than 100 million".

The Minister repeatedly told the Legislature that he was not alleging that funds were missing, although none of the parties present at the closing of the Cadillac-Fairview sale have acknowledged seeing the \$100 million

and "Kilderkin has so far refused to tell the investigators how and by whom it was paid."

The ramifications of the trust company controversy are far-reaching in more than one sense. For example, G. Howard Eaton has resigned as head of the Edmonton-

(more on page 8)

letters letters

(from page 4)

the appeal hearing until after it was held. Fait accompli.

This is a most unusual situation in which only one side of the story is heard and a decision is based on that sole evidence.

Also, the tribunal apparently believed there was a member of the MMHA executive in attendance at the hearing.

That is simply not so; it is a totally erroneous belief.

Either the tribunal members were mistaken or someone must have impersonated a MMHA executive member.

Such a muddled undemocratic process must be righted and the MMHA executive

intends to look into this tribunal situation immediately and with a critical eye.

Why have rules, protests and appeals if they cannot be dealt with in, at least, a fair manner?

As for Shapiera, perhaps he would be better off playing elsewhere. Like society, a few may suffer for the benefit of many.

Although I am an executive member of the MMHA, this letter is not to be construed as a blanket declaration of the MMHA. They have not endorsed this letter.

It is merely my opinion as an interested, involved and concerned individual.

Dwight Thomas,
Minden.

Will your business survive?

Don Jackson: figure skating ambassador

"It's a masculine and athletic sport."

That comment is not one the general public might associate with figure skating, but coming from a world champion skater who has spent his life in the sport, it certainly has a ring of authority.

Don Jackson, the man who was the first to execute the difficult triple lutz jump during a world competition 20 years ago in Czechoslovakia, is the authority behind the statement. For anyone who witnessed his stunning performance Sunday afternoon during the Minden Figure Skating Club's annual ice show, there can be little doubt how true that statement really is.

"When I first started taking figure skating lessons I used to leave my skates at home," he said during an interview Sunday morning. "After school I had to dash three blocks home and three blocks back to the arena to make it in time for the practice. I just didn't want to be seen with figure skates at school even though they were painted black, by my classmates."

Jackson said that the wide publicity the sport has received through television exposure has helped to eliminate the 'sissy' image.

However, he notes, the impression is still there that figure skating is somewhat less than a masculine sport. "A figure skater must have dexterity, co-ordination and strength," the same abilities which make an excellent hockey player.

"Besides," he asks, "what more could a guy ask than to be involved in a sport where he is outnumbered by the girls ten to one?"

Jackson met his wife during his seven year stint with the professional ice troupe, the Ice Follies. They have five children.

Don Jackson has become an ambassador for the sport of figure skating. "I am one of the lucky ones," he commented, "I am able to make my living by figure skating." In addition to making personal appearances at programs similar to the one Sunday in Minden, he and his brother also market a line of figure skates bearing his name.

His enthusiasm for the sport is contagious. Jackson arrived in Minden earlier in the week and spent several hours a day on the ice with the members of the local club. According to club officials, not only was his instruction invaluable, but his presence acted as an inspiration for the aspiring skaters.

Friday evening, in a short program prior to the selection of the winter carnival queens, Jackson entertained the audience with an interesting insight into the intricacies of the sport. He explained the various aspects of skating and how a young skater builds on skills acquired to finally become an accomplished performer.

According to Jackson, the popularity of skating is still growing. Boosted by the television exposure, the number of clubs in the province has climbed from 500, when he began in the sport, to 1000.

His record making triple lutz jump, the effort which brought him the world championship and the feat for which he is still best known, has been duplicated, but his name will still remain in sports history books as the first to have ever attempted it in competition. "I understand that someone in Germany has successfully completed a quadruple lutz (lutz refers to the form of jump, the number refers to the number of revolutions the skater makes while in the air) but it has yet to be tried in world competition. I think that four turns is as high as they can go," he commented.

Whether a quadruple lutz is attempted in world competition will, for many of the local skaters, be a moot point. His appearance in this community this past week was enough to inspire admiration by all in the abilities of a figure skater, male or female.

World class figure skater Don Jackson demonstrates his fine ability during a performance Friday evening at the Minden arena. Jackson was the guest skater at the Minden Figure Skating Club's annual ice carnival.

Huskies end season with one more loss

The Haliburton Huskies have been released from their miserable task of keeping a Junior C club in Haliburton a viable option for next year. The end of the hockey season brought no blazing wins to close out the worst season in Huskies' history.

Although the season is notable because of its lack of wins, it was also a milestone because of the sheer determination the continually losing Huskies showed to continue the grind without any promise of an uplifting change. The team won two and tied two of the 34 games. The players and staff of Haliburton Huskies are to be commended for their gutsy attitude.

The last game of the season saw the Huskies come out and hold Parry Sound to a 3-2 lead in two periods. Parry Sound started the scoring at 4:19 of the first period with Kevin Barks at the end of a passing sequence including Todd Beasley and Sean Gallagher.

Parry Sound scored again at 7:07. Todd Jackson had the goal from Shawn Beaumont and Dave McNamara. The second period opened after

about 14 minutes of no scoring play. Then the Huskies were the victims of a long line of power play might by the Parry Sound team. At 1:36 Dave Brun scored with Barks and Gallagher assisting. Mike Rae replied for the Huskies on an unassisted goal at 6:19. Then Kelly Mitchell showed his potential for graduating from the midget team straight to next year's Huskies, he scored the first of his goals at 19:10 of the second to bring the Huskies within one. He scored on a set up by Glen Evans. Parry Sound again opened a period with a power play goal. Beasley picked up an unassisted mark at 2:14. Kevin Barks scored the second of his goals at 10:19. The Parry Sound power play line was scoring at will. Jackson and Gallagher assisted.

A power play situation was responsible for another Parry Sound goal. Barks made his hat trick and Beasley picked up his last point.

The Huskies scored their last goal at 13:08. Kelly Mitchell fired the goal with linemate Evans assisting again. Tony Scheffee also

assisted.

Parry Sound closed out scoring at 17:28. Dave Brun took a pass from Roy Lovold and made the score 7-3.

The other Huskies games had them on the wrong end of a 17-3 loss in Stayner January 26. Kevin Warburton scored unassisted, Rob Abbs scored another unassisted goal and Mike Rae potted the last goal in the losing effort taking a pass from juvenile Scot Hamilton.

Another game at Parry Sound resulted in an 11-1 loss. Trent McElwain from Wade Barry and Jeff Stamp spoiled the Parry Sound shutout on a power play in the January 27 game.

The Huskies scored three goals in an 11-3 loss in Haliburton Saturday night. Tony Scheffee scored on the power play from Glen Evans and Butch Manary. Steve Smith scored from Scheffee and Mike Rae and Scott Rae scored from brother Mike and Smith.

Scott Rae collides with the Oro net in a game Saturday in the Dysart arena. The Huskies lost the game 11-3. They ended their dismal season a day later with a 7-3 loss to Parry Sound.

puck talk

Bantam

In a game played January 23 in Minden, the Bobcaygeon Bantams defeated Minden 6-2. Scott Russell scored both goals for Minden with Gord Wood assisting on the first effort and Glenn Hall and John Wells assisting on the second.

Tom MacLeod was the only scorer for Minden as the team went down to a 6-1 loss January 25 in a game played in Minden. Scott Russell picked up an assist on the tally.

Juvenile

Scot Hamilton led the attack for the Minden Juveniles January 25 as they defeated Bracebridge by a 9-4 margin. Hamilton scored three goals and assisted on another three.

Minden established an early lead in the game and never allowed the visitors to get within striking range. Other marksmen for the team included Scott Rae with a pair, Jim McKelvey with two goals and two assists, Rob MacLeod with a single and an assist and Kevin Warburton with a goal and an assist. Assists were also received from Greg Newell, John McKelvey, Eldon Bull, Harold Cowen, Jeff Stamp and Kevin Hamilton.

Fred Roberts was hurt early in the match and had to be taken from the ice on a

stretcher.

Netminders Brett Foster and Tim Deremo shared the

goal tending duties.

Friday and Saturday evening the Juveniles hosted the team from Powassan for two carnival matches. Miss Canada dropped the puck at the opening of the Friday night game and a good crowd was on hand to take in what was described as a very rough match.

The two teams last met in late December at which time a certain degree of animosity was noted. It seems old grudges were still there on the weekend. Reports indicate that the officiating Friday could not contain the aggressive actions. Several players, including Minden Juvenile Fred Roberts and John McKelvey were ejected from the game for fighting. McKelvey was also suspended for a number of games in the future for spitting at the referee and pushing the official.

Oddly enough, McKelvey was later given an assist in a Minden goal, even though the player had been removed from the contest a period earlier.

In the first match, Powassan defeated Minden 4-2. Greg Newell potted the first goal for Minden, scoring unassisted. The second goal came from Scott Mitchell. That was the marker for which John McKelvey was

credited with an assist.

Powassan was assessed 28 minutes in penalties while Minden received over 50 minutes. As a result of the

high tally, Minden coach Greg Carpenter was not allowed to participate in the Saturday contest.

In that contest, Powassan defeated Minden 10-3. The officiating was much tighter Saturday evening.

The Powassan goalie was the main reason the Minden team was held to the low score. He was described as being "unbeatable". The Minden goals came from Greg Newell, unassisted; Tim Wood from Eldon Bull and Rob MacLeod on a power play. Scot Hamilton scored the final Minden goal, unassisted, when the team was shorthanded.

Even if the Juveniles lost Saturday night, at least they were well dressed. The team was sporting their new away sweaters, royal blue in colour with gold and white markings. The new sweaters were donated by Mountain Park Cottages and the Wagon Wheel Motel.

Winner

There were other winners Saturday evening. Dave and Judy Phillips of Minden were the holders of a winning 50-50 draw ticket, sponsored by Minden Minor Hockey. Their prize, \$500.

The schedule

The play-offs start this week and final arrangements are just now being made. The only confirmed game is a juvenile contest in MacTier. It is the first in a best-of-seven playoff.

also picked up a game misconduct for his ambitious efforts in trying to fight with an opposing player.

The referee allowed a lot of fouls to go by in the first two periods and when they tried to crack down in the last period, it aggravated the players and tempers flared.

That, however, was no excuse for the Minden loss. Powassan reacted with much poise and character and their disciplined, methodical approach garnered them the victory.

The Monarchs had many excellent opportunities but were constantly frustrated by good goaltending and their own inability to capitalize. Terry Crowe turned in a fine effort in the Minden nets while Scott Mitchell, Kevin Hamilton and Kevin Warburton had strong games.

Saturday's second game was a totally different affair as the seemingly disinterested Monarchs allowed five goals in a seven minute span of the first period. It proved to be a very tame affair with the North Stars outclassing Minden for a 10-3 victory.

It was 7-0 before Greg Newell scored an unassisted marker at 8:06 of the second period. After another North Star goal, Tim Wood blasted

in Minden's second tally with assistance from Eldon Bull and Rob MacLeod. Scot Hamilton's unassisted short-handed goal at 1:30 of the last period preceded Powassan's final marker, scored with one minute remaining in the contest. Terry Crowe and Tim Deremo shared the goal-tending duties but both appeared shaky and received little help from their team mates. On the other hand, Powassan excelled in the basics with aggressive skating, checking and passing and exceptional positional play. Again, their well-disciplined approach was in stark contrast to Minden's haphazard attack.

Playoffs

The Minden Monarchs Juveniles open the playoffs against the Mactier Juveniles in a best four out of seven series.

In two league encounters this season, the Monarchs defeated Mactier by 11-7 and 7-6 scores.

The series is tentatively set to begin the first weekend in February.

Listen to CKLY radio 910 in Lindsay for game scores and upcoming games. Posters will be placed in Minden indicating game locations, dates and times.

Soccer team proposed

Three Haliburton County residents attended a meeting of the Muskoka District Soccer Association in Baysville on Sunday, January 30.

The Association, which runs a recreational senior men's soccer league with representative teams from Huntsville, Gravenhurst,

Bracebridge and Orillia, has invited Haliburton County to enter a team.

The schedule would probably entail 14 Sunday afternoon games, running from the middle of May until the end of August, with playoffs in September.

Anyone over sixteen years of age who is interested in

organizing or participating as a player should contact one of the following people for further details: Jim Milne 457-1845; Geoff Wynne 286-1701 or Bob Penfold 286-1442.

If enough interest is shown, an organizational meeting will take place in the next few weeks. Check this newspaper for further announcements.

Juveniles lose pair

by Dwight Thomas

The Minden Monarchs Juvenile Hockey team dropped two weekend games to the well-disciplined Powassan North Stars.

The games, played Friday and Saturday as part of the Kinsmen Winter Carnival, drew large crowds for the Monarchs final league games.

Friday night's game featured two periods of good hockey but questionable refereeing allowed the game to degenerate in the final frame.

Powassan opened the scoring with a goal first period and it remained that way until Greg Newell scored an unassisted goal early in the third frame to pull Minden even. However, the North Stars notched three more markers to a single tally by Scott Mitchell on a Monarchs power play for the final 4-2 count.

John McKelvey drew an assist on Mitchell's goal before he joined four other Monarchs in the penalty box. McKelvey later picked up two match penalties for spitting and then physically grabbing the referee after the game.

The Monarchs picked up 84 minutes in penalties. The majority of them coming in the final period. Fred Roberts

Winter Carnival results

By all accounts, the Minden Kinsmen Winter Carnival, 1983 edition, was a roaring success.

Large crowds were on hand throughout the weekend to take in the various activities. The presence of Miss Canada, Jodi Rutledge, and world champion skater Don Jackson, added a great deal to the annual event.

The opening ceremonies Friday evening saw the selection of carnival royalty to reign over the festivities. Sheila Wilson was selected as the Senior Queen with Lisa Rankine the Senior Princess. Ginger Elliott was chosen as the Junior Queen while Dianne Garbutt was named Junior Princess. The difficult task of selecting the four winners from the over 50 entered was handled by John and Trish Dunkley of Bobcaygeon. John is the president of that community's Kinsmen Club.

Miss Canada officiated at the crowning of the carnival royalty and appeared at a number of events Friday evening and Saturday before leaving for another engagement.

Prior to the opening ceremonies Canadian skater Don Jackson and members of the Minden Figure Skating Club entertained the audience. The full club, along with the visiting skater, returned to the ice Sunday afternoon to delight the crowd with an ice carnival entitled Country and Western Then and Now.

Events were held throughout the weekend with many activities open for those attending to take part. The following is a list of those activities and the results as supplied by the Minden Kinsmen:

Wrist wrestling

Women's open: Norma Goodger of Willowdale, a Kushog Lake cottager, defeated Val Lowell of Fenelon Falls in the final.

Men's heavyweight: Carl Heins of Haliburton defeated Drew Hibrant of Rexdale.

Men's lightweight: Jim Coltman of Minden was the winner over Tim Hughes of Minden.

Log sawing

The best time turned in was by the team of Mike Enever and Bob Martin. They sliced through the log in 28 second.

Tug-of-War

The winning team included Lloyd MacEachern, Todd Waring, Dave McCurdy and Mike Smith.

Pole climb

The fastest group up the pole to ring the bell was a team from Kushog Lake, Bob Briscoll, Alf Briscoll, Cameron Day and Jim Koufas.

Chicken eating

The winner of the Dixie Lee chicken eating contest was Randy Sawyer.

ATC races

Obstacle course: first Eric Litz; second Danny Stiver.

Wheelie contest: first Jeff Howe; second Eric Litz. Ovals: Stock, the winner was Brent Coltman and with studded tires, Eric Litz.

Snowmobile drags

These events were held with the assistance of Sid Stamp Fuels, Highlands Automotive Supplies, Minden Marine, The Pop Shoppe and Kawartha Dairy.

Fan competition

A-1 class: first Peter Connley, second M. Flippin.

A-2 class: first Mark Valentine, second Peter Connley.

A-3 class: first Mark Valentine; second Peter Connley.

A-4 class: first Michael Chynoweth, second Mark Valentine.

Free Air competition

B-1 class: first Peter Connley, second B. Coltman.

B-2 class: first Barry Stewart, second Mark Valentine.

B-3 class: first Michael Chynoweth, second Brown's Automotive.

B-4 class: first Michael Chynoweth, second Brown's Automotive.

Free Air Modified

C-3 class: first Brown Owl, second Brown's Automotive.

C-4 class: first Brown Owl, second Charlie Heard.

Liquid stock

D-2 class: first Barry Stewart, second Jeff Howe.

D-3 class: first Petrini Construction, second L. Coney.

D-4 class: first Petrini Construction, second Michael Chynoweth.

Liquid modified

E-2 class: first B. Brooking, second Brown Owl.

E-3 class: first Petrini Construction, second B. Brooking.

E-4 class: first Dave Rose, second Petrini Construction.

Open class

F-1 class: first Dave Rose.

Snowmobile races

Kid's race: the winner was Jason Taylor.

C stock: Steven Stewart riding for Tower Hill Marine.

B stock: Steven Stewart riding for Tower Hill Marine.

A stock: Darrell Ladd swept the 340 modified, 440 modified and 340 pro stock classes.

Businessmen's Challenge Cup: the winner was Minden Electric with Steven Stewart driving.

Gravenhurst Novice captain Glen Boyd proudly displays the championship trophy won during the Winter Carnival hockey tournament as his coach Larry Boice looks on. Gravenhurst defeated Pickering 4-2 in the final game.

Colliver rink takes Carnival bonspiel

by Anita Beaver

The carnival bonspiel was held this past week at the Minden curling rink with 16 teams competing. Despite some good curling from Minden rinks, the four divisions were taken by out of town entries. Just shows how far we'll go to treat our visitors right!

Winners in the A division was the rink skipped by Steve Colliver of Haliburton. Included in the foursome were Sandra Casey vice, Merv Mintz second and Linda Mintz lead. They defeated the Minden entry of John Dicker to claim the championship.

The B division was taken by the Lawrence Lougheed rink of Orillia. They defeated the Gareth Kellett entry of Minden in the final game.

The Haliburton rink of Bob

Colliver took the C division title defeating another Haliburton entry, the Randy Colliver foursome.

In the D division, the Gord Dawson rink from Peterborough claimed top honours in a playoff against the Bill Dillon entry from Minden.

The 'spiel ended Sunday afternoon after two days of fun and good curling. Our thanks to the many individuals who helped make the event a success.

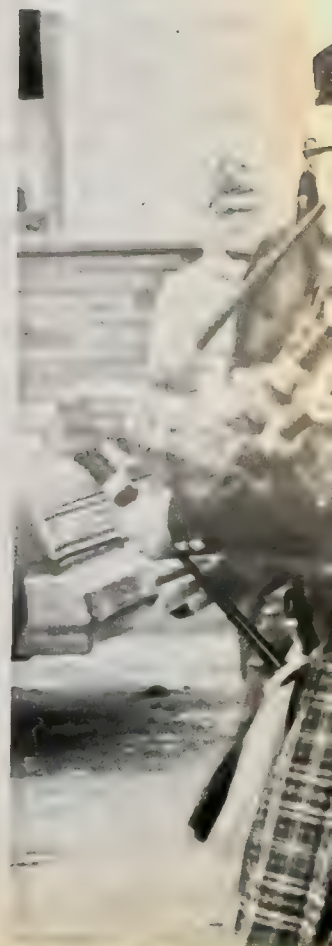

The regular schedule, second half, is now underway. However, since only one game has been played to date, I'll wait until next week to bring you up to date on the standings.

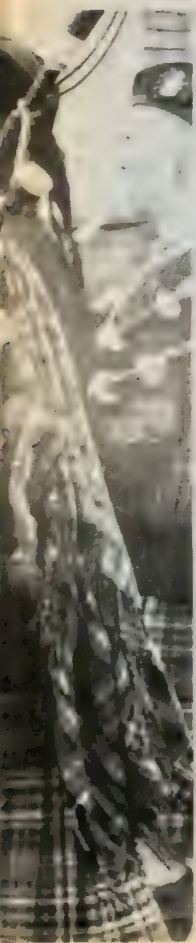

A reminder of the Highlands Mixed Bonspiel this weekend in Haliburton. See you there.

Bonspiel champions from the left, Merv Mintz second, Sandra Casey vice, Steve Colliver skip and Linda Mintz, lead. They were presented with the Dixie Lee Trophy following their win Sunday.

Carnival Scrapbook

Jodi will represent Canada at Miss Universe pageant

Miss Canada.

The title conjures up images of long lines of the world's most beautiful women in the massive television extravaganza and the tension of the final moment just before the Queen of Canadian Beauty is chosen.

Jodi Rutledge, this year's Miss Canada, was invited to attend Minden's Winter Carnival and preside over the crowning of the junior and senior carnival queens and princesses. Jodi also dropped pucks at hockey games, visited the younger set at the sock hop at Archie Stouffer Elementary School and participated in the carnival parade.

She discussed events leading to her selection as Miss Canada and her life since receiving the honour during a few of her less hectic moments, Saturday morning. Even at this time she was being introduced to a visitor from New Zealand and having her picture taken.

This year's Miss Canada was born September 23, 1960 in Winnipeg, Manitoba. She attended the University of Manitoba for human ecology, more commonly known as home economics. "It's really silly, it's just a name change," she said. Jodi received a bachelor's degree, majoring in clothing and textiles.

She entered the Miss Manitoba contest last April, almost on a whim. "I didn't have any plans pending (after graduation in May) so I thought I'd try out." Jodi had modelled during school and summers and it seemed like a natural extension of that activity.

The July 2 pageant was the first beauty contest Jodi had entered. At the conclusion she

was named Miss Manitoba and was on her way to Toronto and the Miss Canada competition.

From October 24 to the final night of November 1, the 36 contestants were involved in taping some of the contests that make up part of the pageant. Jodi was Miss Swimsuit. She fondly remembers the night following her crowning as Miss Canada, the contestants sat "chatting" in the common room until late at night. Jodi returned to her room expecting some sleep before the long week ahead when a girlfriend from Manitoba called at 4 o'clock in the morning. The friends talked for a long time about the dramatic change in Jodi's life.

Since that time Miss Canada has been on the go. She packed her possessions and moved to the Toronto apartment provided for the winner. She has appeared in numerous Santa Claus parades and the Grey Cup parade and met Prime Minister Pierre Trudeau and Governor General Ed. Schreyer during a visit to Ottawa. She just returned from a much appreciated two week holiday in London, England, one of her many prizes and is expecting to go to a winter carnival in Gananoque before doing an intense promotional tour in Saskatoon for Diet Coke, one of her sponsors. After that Jodi goes to Montreal and Winnipeg.

These and many other centres come before the Miss Universe pageant in South America in July, a three to four week exercise. Jodi will represent Canada in that competition.

Jodi enjoys all the

travelling she is required to do but says "I do get tired. When I'm given time to rest, I've learned you take that time and you use it." When she does get some spare time, Jodi likes skiing, both alpine and water. Running is another favourite activity although "I haven't had time to run. I'll have to get back into it."

This year Jodi's life has opened many opportunities

for a career. She is interested in clothing, perhaps the marketing side of fashion design, another spare time interest.

The excitement of her role as Miss Canada does not stop Jodi's thoughts from turning to Winnipeg. "Sometimes, in my spare moments, I think about my family and my boyfriend and my friends and I miss them," she said.

Some students from Archie Stouffer Elementary School enjoy outdoor activities last week as part of the Winter Carnival celebrations.

Snowdon supporters

A meeting of the executive of the Snowdon Supporters as held at Jean Farrell's on Monday January 24 at 7:30 p.m.

The main purpose of the meeting was to begin to formulate a tentative 5 year plan for the development of the community park.

Snowdon councillor Brian Neville and Deputy Reeve Dwain Wruth have been appointed by the council to work with the Snowdon Supporters group and the council has also asked that two representatives of the supporters group be appointed to make a convenient small committee to discuss and bring together ideas and plans for the future

of the park area. The two people chosen from our group are Bert Smith and Fred Elson. Needless to say, you will all be kept in touch with what is happening and we expect there will be good interchange of ideas and plenty of creative co-operation.

A number of ideas and suggestions were brought forward at last Monday's meeting having to do with the conserving and the use of the park, maintenance and development of recreational

facilities for winter and summer, building necessary structures appropriate to the park and making it possible for visiting public to be aware of and to enjoy the area.

When we have had time to consolidate and discuss the ideas and put them in the form of a tentative plan for the next 5 years or more, you will be informed and we hope we can count on your continued help and co-operation.

Other matters mentioned at the meeting included the very successful children's party held on December 12. We consider that it went satisfactorily in every way and much of its success was due, not only to the willing help of members, but also to the support of non-members, especially the following: Bill (St. Nick) Douglas, Steve Broadmoor (projectionist), Edna McElwain (piano), Doris (the green elf) Robertson, The Echo and The Times for news coverage and the county library for films. It was a lot of fun and I'm sure we'll do it again.

NOTE: We plan to hold a potluck supper at the Lochlin Community Hall at 6 p.m. on February 18. Interested members of the community are invited...come and bring a friend.

After supper there will be an interesting and instructive information meeting on the subject of "Drug use and abuse." A representative of the OPP will be there and there will be a film and opportunity for questions.

Please note that this meeting will focus specifically on local aspects of the drug problem.

Gravenhurst takes Novice tournament

Gravenhurst claimed the championship trophy at the Kinsmen Winter Carnival Novice Hockey Tournament Saturday in Minden. The Gravenhurst squad defeated Pickering in the final contest, 4-2, to take the Kinsmen trophy.

St. Andrews, playing out of Peterborough, took the Porter consolation trophy in a 5-0 shutout of the Oshawa entry.

The Minden squad was eliminated after the first two games. They lost to Gravenhurst, 9-1 in the opener and were taken by St. Andrews 7-2 in the semi-final round of the consolation series.

Kevin Buchanan scored the only goal for Minden in the opening match. Aaron Hie picked up the assist. He counted for the two goals in the second contest, one an unassisted effort, the other coming with the help of Oliver

Greer.

The runners-up in the championship round, Pickering, were presented with the Eric Coulter memorial trophy while the runners-up in the consolation series, Oshawa, received the Prentice Roads trophy.

The following is a break down of the tournament play:

Opening round: Gravenhurst 9 - Minden 1; Huntsville 4 - St. Andrews (Peterborough) 1; Pickering 4 - Knox (Peterborough) 1; Bowmanville 4 - Oshawa 1.

Championship: semi finals; Gravenhurst 3 - Huntsville 0; Pickering 5 - Bowmanville 5 (Pickering awarded the win having scored the first goal); Final game: Gravenhurst 4 - Pickering 2.

Consolation: semi final; St. Andrews 7 - Minden 2; Knox 3 - Oshawa 3 (Knox wins having scored the first goal). Final game: St. Andrews 5 - Oshawa 0.

YBC

Here are the results, as promised, of the Family Twosome Tournament held at Carnarvon Lanes on January 22.

Tykes

Holly and Chris Archer 840; Chris and Mary Lawr 844; Stan and Philip Lawr 838; Timmy and Doug Robinson 935; Kimmy and Ron Robinson 884.

Bantams

Eric and Ric Nash 1186; Cathy and Jack Lawr 1131; John and Bob Patton 1205; Lora and Eleanor Patton 1076; Tammy and Judy Rutledge 1097; Tony and Bruce Rutledge 1411; Doug and Neil Jackson 1266.

Juniors

Darry and Dave Bell 1397; Darwin and Mary Bell 1276; Dave Bell and Dave Bell Jr. 1357; Richard and Bill Beers 1217.

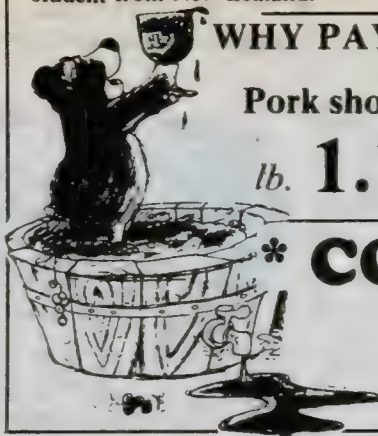

The Four Steps to Stardom teams bowl Sunday February 13 at 10:00 a.m. in Cobourg. The Singles will bowl in Bowmanville February 20, Boys at 12:00 noon and Girls at 2:00 p.m.

NOTICE

All dogs are required by law to be tagged. The fee for each licence/tag is now \$5.00. Dog Licences and tags are now available at the Municipal Offices, Milne Street, Minden.

Further, take notice that charges may be laid at any time after February 28, 1983 for any dog not licenced and tagged according to law. Charges may also be laid if a dog is found running at large whether tagged or not.

Elinor Burke, A.M.C.T.
Clerk-Treasurer.

book nook

The following is a list of books now available for your reading pleasure at the Minden Public Library.

Juvenile Fiction

Title: Bicycle Mystery. Author: Gertrude Warner.

Another exciting adventure of the four Alden children who go on a bicycle trip to their grandfather Alden's farm. How they find a lost skye terrier and after visiting the senior Alden's, learn who is the owner of the dog they named Shadow. Good reading, easy for juniors and might replace the Hardy Boys.

Juvenile Non-Fiction

Title: Armstrong. Author: Paul Westman.

In this biography you learn about the life of Neil Armstrong, Space Pioneer, from his youth through the exciting

time when he first set foot on the moon, July 1969. Good for a project with good photo-illustrations.

Adult Fiction

Title: Lace. Author: Shirley Conran.

Four elegant, successful, sophisticated women in their forties have been called to the Pierre Hotel in New York to meet Lili, the world-famous movie actress.

Already a legend despite her youth, Lili is beautiful, passionate, notoriously temperamental ... each of the four has reason to hate Lili, and each of them is astonished to see the others; for they are old friends who first met in school, old friends whose lives are changed when suddenly confronts them and asks: "Which one of you is my mother?"

The answer to this question - a question that has obsessed and almost destroyed Lili - is at the heart of Lace. As the reader travels from an elegant Swiss finishing school in Gstaad to the glittering places where the rich and successful congregate, the book traces not only the life of Lili herself - abandoned, seduced, exploited, but at last rising to triumph as a star - but the lives of the four women, one of whom is her mother.

No reader will fail to find some part of herself and her experience in the lives in these five unforgettable women.

Adult Non-Fiction

Title: Charlie Farquharson's K.O.R.N. All My Neck. Author: Charlie Farquharson.

Charlie is at it again. In this book he gives advice and remedies for many things such as: How to keep warm in winter; Bad breath; Birthday fortune; and Guide to the Metric System.

A laugh and a chuckle on every page.

Driver suffers fractured arm

A snowmobile driver sustained a fractured arm after the machine he was driving was in collision with a car on Highway 35. The mishap occurred Saturday evening almost directly in front of the OPP office.

David Winkly was the driver of the snowmobile. He was taken to Minden Red Cross hospital and later transferred to Scarborough General hospital for treatment. The driver of the car was George Bukta. He has been charged with having improper tires (mixing radial and non-radial) on his vehicle.

Strikes bridge

A Minden man, Tim Pritchard, has been charged with careless driving after the truck he was driving struck the railing of the Gull River bridge in Minden. The incident occurred Saturday evening.

Stolen, stolen car

Minden OPP investigated the theft of a stolen stolen car this past week.

According to police, a car was taken from a Toronto location January 28. The

driver took the vehicle to Dorset and, while near that community, it became stuck in a snowbank. He called for the assistance of a tow truck which extricated the mired vehicle. The driver was not on the scene when the car was pulled out of the snow.

When he returned to continue his journey with the stolen car, the driver found that there are just some people you cannot trust. The vehicle had been stolen!

Being a citizen who had been grievously wronged, the driver reported the theft to the Minden OPP. Following a routine check, the police realised that the stolen car had indeed been stolen once before and arrested the complainant.

Charged with possession of stolen property was Paul Krenn, 17 of Toronto. He was lodged in Lindsay Jail pending a hearing in court.

Charged

An Ingoldsby youth has been sentenced to three months in jail after being found guilty of assault causing bodily

harm. Timothy Eastman, 18, was sentenced when he appeared in Provincial Court recently.

According to police Eastman and another youth, Timothy Beaver, 16 were driving on the Harburn Road June 14 when they passed two other youths on foot. The pair stopped and an argument ensued. According to police, one of the youths was struck on the head with a wooden club by Eastman while Beaver hit the other pedestrian with his fist. Beaver will be sentenced February 18.

Break-in

Two county youths were sentenced to 15 days in jail, Robert Edge, 18, and Michael Hughes, 19, were sentenced after they were found guilty of the break-in which took place in January 1982.

The pair were discovered with another two youths while they were attempting to remove stereo equipment from a home.

In addition to the jail sentence, the youths were placed on probation for two

years.

The other individuals involved in the incident were sentenced earlier.

Collision

A two car accident on Highway 118 has resulted in one man being charged and a total of \$3000 in damages to the vehicles.

According to police, the car driven by Terry Alton, 21, of Minden, struck the rear of a car being driven by Orval Morrison, 56, of Guilford Township.

Alton has been charged with driving without a licence and improper passing.

The investigating officer was Constable Bob Pearson.

Take a walk, eh?

Fall kills youth

A Toronto youth is dead following a tragic accident Sunday in Stanhope Township.

Darley Allan Johnston, 19, and three companions were climbing on a hill near the community of Carnarvon 4:30 Sunday afternoon. The youth slipped as the group approached the edge of a steep drop and he plunged 20 metres (65 feet) to the rocks below.

Johnston was taken to the Minden Red Cross hospital where Coroner Dr. Holliday-Rhodes of Minden pronounced the man dead. It is believed the youth died of massive head injuries. No foul play is suspected.

The investigating officer was Constable Bob Wood of the Minden OPP detachment.

Peterborough rink wins Seagram's play-downs

The Tom Cushing rink from the Peterborough Golf and Curling club has emerged the winner of the Seagram's Mixed Curling Zone 4 Play-downs. The competition was held January 21-23 at the Minden curling rink.

The Peterborough four-some now advances to the inter-zone competition slated for this weekend in Kingston. A province-wide competition will be held the following week in Lindsay with the national finals scheduled for March 20-26 in St. John, New Brunswick.

by Bert Harrison

Rev. Burgess has an interesting message for us each Sunday night. Always something to keep us living right. In the course of the sermon January 23, he said "As we grow older we have loss of memory. We remember some things more than others." I remember when I gave my wife Mary my first kiss, I thought "this is something just too good to miss." So when the service was over and he was greeting

was a lovely afternoon in sun or in the shade. We had lots of help to see we didn't slip and others watched us closely to see that we had nothing on our hip. We took Miss Piggy on the float looking quite real, if she doesn't win a prize you'll surely hear her squeal.

If you are dog tired at night, it may be because you growled all day.

us at the door, I said "I haven't told anyone this before, it just seems like a dream I remember I gave my wife my first kiss way back in year '15."

We watched four movies Monday night, they were quite a sight. "Lorax" "Getting Started", "The Mole and the Lollipops" and "Jimmy's Kite."

Rev. John James from Haliburton United Church came and held a service in the Chapel here, our girls made it too but said the highway was far from clear.

At fun and fitness down in the gym, the way they sometimes treat us is really quite grim. We fill our lungs right full of air, then let it all out, which doesn't seem fair. Reach for the ceiling, then down to the floor, up once again then do it some more. Now tilt your head forward, then tilt it back, sometimes I hear my old neck crack. Then up on the floor in that chicken dance, sometimes I'm afraid I'll be busting my pants! Then kick the balls to some lively tune like a mother is chasing her boy across the room.

Now our girls tell us this is all for the best, it is exercise like this that grows hair on your chest.

Tuesday night Fred Ballard came as he often did before, and entertained us musically for an hour or more.

Thursday afternoon the A.C.W. ladies from West Guilford came along and not only served a delicious lunch but entertained us royally with music and song. We thank them for coming way down so far, it really is expensive now travelling by car. Later on that same afternoon Doris' son Ian came with his violin to play some lively tunes. With Doris at the piano and Ian on the fiddle and Aunt Linda playing the spoons, it was toe tapping music but they had to leave too soon.

Grace Coburn and Norma Barron came on Friday afternoon. Grace led us in the singsong and Norma played the tunes. Grace read about the days a hundred years or more when mother bathed the children in the old wooden tub upon the kitchen floor.

It is nice to have Jessie Walter back again, after two weeks stay in a hospital down Peterborough way.

Doris took the bus in the Winter Carnival Parade. It

Minden W.I.

The January 27 meeting of Minden Women's Institute at the Common Room had a memorial verse read and a minute of silence in memory of two of our village residents, Dr. Jamieson and Lyman Cox. The first vice-president Mrs. W. Moore then called the meeting to order and all joined in the usual opening.

The roll call of a stamped greeting card was answered by eleven members and two guests were made welcome. The minutes were read and Mrs. Kernohan gave a fine treasurer's report.

The correspondence was read and included a thank you from Dick Schell for goods given towards Christmas baskets.

The members decided that we should have a Spring bus trip and all are to bring their ideas to the next meeting.

The card convenor, Mrs. Moore had sent 31 cards since December and collections for this and Pennies for

Friendship were taken. There was \$16.20 taken in the birthday box for last year. Mrs. Moore said that she would take used postage stamps to give to the Bible Society. It was mentioned that February 19 is F.W.I.O's anniversary day.

Mrs. M.J. O'Neill gave a full and informative report of current events for 1982 and this jogged our memories. She concluded with a short verse and all joined in the applause for an excellent report. This goes into our Tweedsmuir History as we have had such a report since 1960.

THE TIMES Page 19

Mrs. Arnold Coulter then read an amusing verse "Mother's letter to her son."

It was brought to our attention that next year, 1984, is Minden's 125th birthday, so we might start planning for this.

The meeting concluded and all enjoyed the delicious lunch and a social half hour followed.

The next meeting will be at this same place February 16 at 2 p.m. with a guest speaker. So all you ladies should plan to come to this, as we welcome new members.

Jeanne Sears, P.R.O.

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to adjoining the landowner part of the 66 foot 'unopened' Original Shoreline (Marine) Allowance for Road around the shoreline perimeter of Kashagawigamog Lake in front of Lot 21, Concession II in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301(1) of the Municipal Act R.S.O. 1970, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on THURSDAY, February 24, 1983 proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows:

All that part adjoining the original shoreline allowance for road along the shore of Kashagawigamog Lake in front of Lot 21, Concession II in the Township of Minden in the County of Haliburton, designated as Part 2 on a draft Plan of Survey by Bishop and Wilson, O.L.S. dated December 30, 1982.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 2nd day of February, 1983.

Christians hold unity service

Leaders and members of three Christian congregations in Minden joined together to pray for Christian unity in a solemn service at St. Paul's Anglican Church. Last Thursday's ceremony drew on members from Our Lady of Fatima Roman Catholic Church, Minden United Church and St. Paul's Anglican Parish. The choir consisted of singers from Minden United, Carnarvon United and St. Paul's Anglican churches.

The service was part of the Week of Prayer for Christian Unity. The churches plan a day for children at the Minden United Church on Saturday, February 5, from 11 a.m. to 1 p.m.

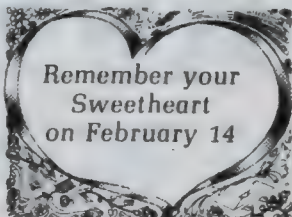

Father George Elliott of St. Paul's called for hope in the sea of today's cynicism. Father David Bollo of Our Lady of Fatima called Christ the Head and Life of the human race.

The Reverend Clyde Westhaver led the worshippers in an adaptation of a traditional Irish prayer believed to have been created by Saint Patrick.

Father Elliott asked the assemblage to greet their neighbour in fellowship. After the ceremony, refreshments were served.

Individuals attending the ecumenical service Thursday at St. Paul's Anglican church had an opportunity to share in an evening of fellowship. Parishoners from the Anglican, United and Roman Catholic parishes attended.

around the county town

by Yvonne Guida

Last Sunday I had the distinct opportunity and pleasure of meeting and interviewing a fine gentleman and a fantastic figure skater, former world champion, Donald Jackson. Mr. Jackson is very easy to talk with and is poetry in motion on the ice. He performed two numbers - American in Paris and later - Jesus Christ Super Star, for which he received a standing ovation and came back to perform a glorious encore. He explained to me that he worked with our youngsters in the Minden club on basics and precision, to triple jumps. He also skated with the club professional, Jane Symons. He left with the hope that he had been an inspiration to the young skaters, to which I say - Bravo to Donald for his efforts on our behalf. All our young skaters were a joy to watch.

My thanks to Irwin Karnack of CFMX-FM on his program Measure for Measure, for his kind words about me and also for playing Bartok's concerto for violin, featuring Pinchas Zukerman with Zubin Mehta conducting. Mr. Karnack knows Zubin Mehta is a favourite of mine and I sincerely appreciate his playing the concerto for me. This is a wonderful station, featuring classical music and interesting sometimes controversial subjects, but always a delight to listen to. The comments really make you think.

I am sorry to report the deaths of Mr. Lee Roberts from Haliburton and Harold Bowen from Wilberforce. Our deepest sympathy to their families and friends.

St Paul's will hold their annual Pancake Supper on Tuesday, February 15 from 5 to 7 p.m. Tickets for adults will be \$3.50 and \$2.00 for children. All are welcome. This is sponsored by St. Paul's A.C.W.

The Thrift Shop at St. Paul's will be open this Friday from 1:30 to 4:30 p.m. As I have said before, these gals do a terrific job in maintaining this shop and offer terrific buys to everyone.

Fred Hewitt visited with his mother Joyce, this past weekend.

The winners of the Mini-Card Party at St. Paul's last week are as follows: Cribbage - Lil Porter, Euchre - Lone hands - Irene Houghton, High - Hilda Harrison.

Reg and Carol Leaman and daughter of Keswick visited the Milton Sears' over the weekend.

Mr. & Mrs. Larry Harrison and their three children of West Hill visited Mrs. Stuart Harrison over the weekend.

Mrs. John Hewitt had company over the weekend, her son and wife, Louis and Jane and daughter Ann, from Ottawa and older daughters Pamela and Patricia of Toronto and friend, Myra Noakes of Toronto.

There was a wonderful turnout for the dinner, roast and dance at the Stanhope Community Hall in honour of Jim Harrison who retired from the Reeveship after fourteen years in office. Stanhope firemen presented Jim with a silver-coloured

fireman's hat and also presented him with a gas-powered ice auger.

Mr. and Mrs. Thomas Stoat of Lindsay attended the dinner and roast for her uncle on Saturday night.

Many thanks to Mrs. Ann Barker, Mr. Gerald Bain and all those who participated in the dinner and roast held for Mr. Jim Harrison last Saturday night. Their efforts in organizing this party were greatly appreciated by his family and friends. It was also great to renew an old friendship with Win Lahay of Minden. A very happy time was had by all.

I am sorry to report that Bill Burridge of Minden, passed away in Ross Memorial Hospital in Lindsay last week. Our condolences to the members

of his family.

The monthly meeting of the ACW will be held at the home of Ethel Leigh on Tuesday, February 8 at 7:30 p.m. The guest speaker will be Rita Cavanaugh and following her talk, refreshments will be served.

Weekly movies at the Library/Cultural Centre will be held on Friday 2-3 p.m for adults and 7:15 to 8:15 for children.

The Kinette Club of Minden is again sponsoring a Valentine Day dance at the Minden Community Centre on Saturday, February 12 from 8:30 p.m. until 1:00 a.m. Music will be provided by D.J. Tommy Williamson and a light lunch will be served as well as door and spot prizes. All proceeds will return to community service.

A Parable

The harp of Heaven could not be played
It had broken two golden strings,
And angels soared high above the earth,
On alabaster wings.
But though they searched, they couldn't find
For heavenly strings are a special kind.
Then God sent an angel to the East
And another to the West
Out of all that vast and heavenly host
These were his very best.
East found his string in the desert
And tarnished by the sun,
Though darkened by the sands of time
Of pure gold it was spun.
West searched by the mountain lakes
By rivers, clear and bright,
She found her string all wet with dew
And bathed in the morning light.
Then both in joyous ecstasy, back to the fold they flew
Laden with precious treasures
To mend as good as new.
But though they strove, to their dismay
The heavenly harp refused to play -
For the golden strings were worlds apart
And fear lay deep within each heart.
Then God with a gentle, kindly voice
Commanded the harp to play
Enfolding it in His loving arms
And lo, the strings quivered - and began to sing
Their celestial music together!

Q: What is the kindest animal in the forest?

A: A skunk. It gives its last scent to its worst enemy.

Q: If a female deer wears antlers, what does a male deer wear?

A: Unclers.

Q: Why did the dog lie out in the sun?

A: He wanted to become a hot dog.

Q: When does it rain money?

A: When there's a change in the weather.

Q: What do you get when you cross a dog and a hen?

A: A pooched egg.

Q: How did the firefly feel when he ran into the fan?

A: Delighted.

Q: What happens when an owl gets laryngitis?

A: It doesn't give a hoot.

Bye for now. Take it easy. God bless till next time.

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON & MINDEN TO CLOSE, STOP UP AND LEASE A PORTION OF PART OF THE ORIGINAL ALLOWANCE FOR ROAD IN LOT 2 BETWEEN CONCESSIONS II AND III, IN THE TOWNSHIP OF MINDEN, IN THE COUNTY OF HALIBURTON.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 of the Municipal Act, that the Township Council of the Municipality of Anson, Hindon & Minden proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Minden, Ontario on Thursday, the 24th day of February, 1983, a By-law to close, stop up and lease the following:

THAT PORTION of the above referred to original allowance for road 33 feet in perpendicular width which abuts the land ownership of the applicant Sid Stamp Fuels Limited and which lands are more particularly shown on a sketch plan made by the Hydro Electric Power Commission of Ontario under date March 16, 1970 and which sketch plan is available for inspection at the Township of Anson, Hindon & Minden office, Minden, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-law at the meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Anson, Hindon & Minden shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED AT MINDEN, ONTARIO this 14th day of January, 1983.

PERSONAL

PERSONAL: Are you alone and unattached? I'm looking for new faces for my correspondence group. Free bulletin and information. Write Barb Johnston, Box 2246-C, Sudbury, P3A 4S1

PERSONAL: I can't believe I'm really doing this, but anyway here goes: I'm an insightful, humorous, talented, successful (and obviously not too modest) empathetic, attractive man 5'5" in my late thirties with integrity, who lives in Toronto. My tastes range from Eugene O'Neil to Judy Collins, exotic travel and interesting discussion over Dover Sole Amandine with Medium dry imported white wine. I'm looking for an attractive, bright lady, as a soul mate who also has integrity, who would move to Toronto for the right man...and marry. If interested or curious regarding all of the above, please write P.O.Box 54, Station T, Toronto, Ontario M6B 3Z9. Please include your phone number and recent photo - all replies will be answered and all photos returned. P.S. Thanks for reading my advertisement.

CARD OF THANKS

We would like to extend a great big Thank You to all the residents and visitors of the Minden area who attended and helped make the Figure Skating Carnival and Pancake Breakfast this past weekend such a success. A special thank you goes to all the parents who worked so hard, our Pros, Andrea Burk and Jane Symons, Don Jackson and the hard-working arena staff. We would also like to thank the following for time, effort, vehicles and materials which were donated: Bill Payne, Sid Stamp Fuels Ltd., Sinc Nesbitt, McKnight's Garage, Floyd Hall Ltd., Mrs. Corinne McCallum, Don Campbell, Spike and Dot Welch, Gord Monk, Yvonne Beaucage and Jeanne Sears. **The Minden Figure Skating Club.**

Eleanor and I would like to express our sincere thanks to our friends, family and all the participants who helped to make "Roast the Reeve" night such a memorable occasion. We would also like to thank you for our lovely gifts. A special thanks to Mrs. Ann Barker and Mr. Gerald Bain for the extra effort they put into making the evening such a huge success. Thank you.
Jim Harrison

We would like to thank everyone who took part and donated gifts and helped to make the HCSA Winter Dance a success.
The Snell Family

The family of the late Lyman Cox would like to take this opportunity to thank all our neighbours, friends and relatives for all their kind thoughts, floral tributes, cards and money received and donations to the Heart Fund, Minden Red Cross Hospital and Gideon bibles. Also for food which was brought to the house.

We would like to send special thanks to the Peterborough ambulance personnel, Drs. MacLoughlin, Tovich and Lee and the nurses in I.C.U. and the third floor of the Civic Hospital.

We would like to express our sincere appreciation to

CARD OF THANKS

Gordon A. Monk Funeral Home and to Rev. Mr. Westhaver for his comforting words. Also to the UCW for the wonderful lunch served after the service.

Your kindness will never be forgotten.

Mrs. Mary Cox & Family

IN MEMORIAM

VOICEY: In loving memory of dear brother Jim who passed away February 3, 1982.

February comes with sad regrets,
The month, the day we will never forget,
You slipped away without goodbye,
Memories of you will never die.

**Sadly missed by All
the Family**

LUKE: In loving memory of a dear husband, father, grandfather and great-grandfather Edward, who passed away January 31, 1982.

Your gentle face and patient smile
With sadness we recall,
You had a kindly word for each,
Then passed away-beloved by all

Our hearts still ache with sadness,
Our secret tears still flow,
What it meant to lose you dear one,
No one will ever know.

When the days are sad and lonely,
And everything goes wrong,
We seem to hear you whisper,
Cheer up and carry on.

Each time we see your picture
You seem to smile and say
Don't cry, I'm only sleeping
We'll meet again someday.

You are not forgotten loved one,
Nor will you ever be
As long as life and memory last,
We will all remember thee.

Lovingly remembered by
Wife Edith and family.
